

# Ambition

“The opportunities that Putney gave me from Reception through to Sixth Form, and the confidence that those opportunities created, prepared me well for university. I feel ready to take on any challenge and want to do my best. I know how to balance studying hard with enjoying sport and making the most of the social life that a London university affords.”

Former Head Girl Olivia Archibald, awarded the prize for outstanding 1st year history student at University College London 2011

## Leavers' destinations 2012
