

# Leavers' destinations 2016

Olivia Michell (class of 2015)  
Reading Biological Sciences at  
Worcester College, University of Oxford

Aimee di Marco (class of 1997)  
Specialist Registrar & Academic Clinical Fellow  
in Surgery at Imperial College Healthcare

“Putney helped me to achieve the success that I have, encouraging me to pursue my dreams, to be the best that I could be and creating a nurturing environment.”

Sandie Okoro (class of 1983)  
General Counsel for  
HSBC Global Asset Management

“Putney offered such good teaching and such a grounding for life. In the job I do now I am learning all the time – about the subject matter of the film, the locations we are filming in, the people I am working with... it never stops and is the joy of the work. Putney High School set me up well for my world!”

Jenny Beavan (class of 1968)  
Oscar-winning costume designer
