

# PE Department Senior School Parents' Handbook

2018–2019

Sport at Putney plays an important part in school life. The opportunities are immense with many sports being available as recreational clubs and/or in a competitive environment. The PE Department works hard to balance the inclusive with the elite sporting opportunities. Through our PE Curriculum our aim is that all girls will discover and develop:

- The joy of moving and being physically active.
- A deep sense of physical accomplishment and wellbeing.
- A range of skills and sports.
- A sense of team spirit.
- A positive physical identity.
- The desire to play sport outside school, leading to lifelong physical activity.

I hope your daughter takes advantage of the wonderful sporting opportunities on offer during her time at Putney.

**Mrs Fraser**  
**Director of Sport**

## **LACROSSE**

Hattersleys is our school lacrosse supplier and a lacrosse order form is included with this booklet. We have a number of class sticks that your daughter can borrow for lessons but if she will be attending Lacrosse Club she must own her own stick and goggles. Goggles are compulsory for all girls in lacrosse teams.

## **PE EQUIPMENT**

Girls are required to purchase the following items:

- Lacrosse team players or girls attending Lacrosse Club must have a lacrosse stick and goggles. These can be arranged through our school lacrosse supplier, Hattersleys.
- All girls in Years 7 and 8 must have football boots and a mouthguard, regardless of whether or not they attend Lacrosse Club.

- Mouthguards are compulsory whilst playing lacrosse. This is in line with the recommendations given by the English Lacrosse Association and the GDST. It is essential for parents and girls to ensure that they have a properly fitted mouthguard which is ideally dentist-fitted. O-PRO will be in school on Friday 14th September from 3.50pm to fit mouthguards for our new pupils. You can also book your O-PRO mouthguard online at [www.opro.com](http://www.opro.com). Please note that PE teachers will remind girls of the necessity to wear a mouthguard but the responsibility rests with your daughter.
- All girls in Years 7 to 9 will require a tennis racket for the Summer Term.

### Participation

All girls are expected to participate in PE lessons and we ask parents to support us in this. If your daughter is feeling a bit 'under the weather' but is well enough to be in school we ask that she informs her teacher of this and participates in the lesson lightly. Girls will not be allowed to miss PE unless they bring a note from parents. Non participants will be involved in the lesson as an umpire or helper so should have trainers with them – they will not be sent to the Library. Girls should note that PE lessons will go ahead come rain or shine.

### JEWELLERY

This must not be worn for any PE lesson and it is girls' own responsibility to remove all jewellery at the start of every lesson. **If your daughter wishes to have her ears pierced, the school advises this should be done at the start of the summer holidays.** Earrings must be removed for every PE lesson and taping is not permitted. Again, we ask you to support us in this.

### VALUABLES

Valuables should be locked away in school lockers at the beginning of the school day. Changing rooms are not locked during PE lessons.

### CO-CURRICULAR OPPORTUNITIES

All Senior School girls enjoy a range of co-curricular activities. Information about these activities is sent to parents at the beginning of term and can also be found on FireFly. Details of our sports clubs and practices are available on our Sports Calendar via the school website. In the PE Department we have a number of information boards which are labelled according to each sport category. All information is posted here and girls read the boards regularly. A busy sporting calendar provides numerous opportunities for girls to represent the school, and a large number of teams run for the most popular sports to allow as many girls as possible to play competitively. We also keep parents informed of our sporting progress through the school website and our Twitter account [@PutneyHighSport](#).

### TEAM SELECTION

- At the start of each term, girls sign up on the PE notice boards to attend sports clubs. Girls will be continually assessed throughout training sessions and will then be put into an appropriate group/team most suited to their ability level.
- Regular attendance at practices is expected if girls wish to play for a team.
- PE staff will talk to any girl who has moved down a team to explain why, before the team is announced.
- PE staff and sports coaches prepare team members to play a variety of positions. No player should think their position is set. Movement will always happen in teams. If a girl would like to know why she has changed position we encourage her to come and speak to us. Please be reassured that this move is for the benefit of both the individual and the team.
- We ask that parents manage their own and their daughter's expectations, and accept the staff or coach's expertise regarding team and squad selection.

## **ELITE SQUAD SELECTION AND SCHOOL A TEAMS**

- Putney is renowned for its sporting achievements and many girls perform at national level or beyond. This sets a very high benchmark for sport.
- Putney is invited to compete in several regional or national competitions that specify/ require a small squad.
- Additional sessions will be put in place for girls in school A teams preparing for specific competitions and tournaments.
- Selection for squads is based on sporting ability. We expect all girls to be fully committed.
- Elite Competitions include GDST Rallies, Surrey Tennis League, Surrey County Tournaments and Finals, National Athletics, Netball, Cross-Country and Lacrosse Competitions, and GISGA (Girls Independent Schools Gymnastics Association).

## **SPORTS SCHOLARSHIPS**

Sports Scholarships are available at 11+ and in the Sixth Form.  
All details on how to apply are available on the school website.

## **ELITE SPORTSWOMAN PROGRAMME**

Our Elite Sportswoman Programme offers support to girls who need to balance schoolwork with elite level sport. Each pupil on the programme is assigned a mentor to ensure they are managing their workload alongside the daily demands of training. Girls who are performing sport at a National level should apply and forms are available on request.

## **INFORMATION FOR FIXTURES**

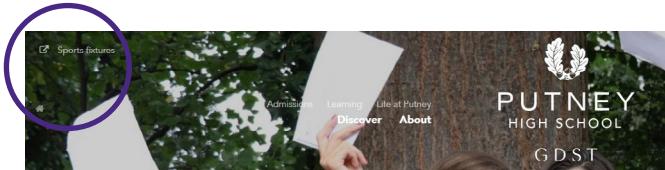

- All fixtures are scheduled into the sports calendar in advance. These are found on the Sports Fixtures page via the school website.
- Sports boards have a section allocated to each sport where all team lists and information are publicised.
- Fixtures are subject to change and parents are asked to check the fixtures calendar on the school website regularly for updates. In the instance that a fixture is cancelled on the day, we will endeavour to contact parents as soon as possible.
- Parents are very welcome at fixtures and we encourage you to support your daughter in her sporting endeavours.
- Collection for all away fixtures or off-site practices is from Carlton Drive. All finish times are approximate; away fixtures are difficult to predict due to traffic. We ask that parents pick up their daughters on time.
- For away fixtures we are happy for you to collect your daughter from the venue; however if you have not arrived by the time we are due to leave, your daughter will be taken back to school. We cannot leave girls waiting at another school.
- At weekends, cancellation will be posted on the Sports Fixtures page on our website and on Twitter at least one hour before the school coach is due to leave.
- There will be no return coaches from home tennis matches at Barn Elms during the Summer term.

This attitude to sport promotes healthy relationships with peers, and sets a good example for spectators.

## **HOW PARENTS CAN SUPPORT SPORT AT PUTNEY HIGH SCHOOL**

- Please make sure your daughter is wearing the correct PE kit including no jewellery for sport.
- Make sure your daughter has a pair of recognised sports trainers with the correct support - not fashion shoes.
- Come and support your daughter at matches when you can.
- Help your daughter to be organised and prepared for matches especially during very hot or bad weather.
- Please focus on your daughter's efforts and performance rather than victory, defeat or the team for which she plays.
