

Co-curricular Schedule

Spring 2021

Welcome to the Co-curricular Schedule for the Spring Term

While students are **Guided Home Learning**, they will be able to access **Enrichment Clubs** via Microsoft Teams.

Once pupils are back in school, all 'live' clubs will also be available in Year Group bubbles.

The Music, Drama and Sports departments will be in touch with information about how to access activities such as training, music lessons and LAMDA lessons from home during Guided Home Learning.
