Inclusion Policy

1. Introduction

Putney High School is committed to delivering an inclusive ethos and sees the diverse population of both pupils and staff as one of its greatest strengths. In order to ensure everyone can thrive and meet their full potential, it is essential that inclusion and equality of opportunity are at the core of all the activities. Furthermore, Putney High School encourages a proactive and positive approach to inclusion.

This policy applies equally to current and prospective members of the School community, including, parents. Staff should also refer to the Equal Opportunities Policy.

This policy is made available on the School website and can be made available on request.

The School is committed to a zero-tolerance approach in relation to less favourable treatment on the grounds of any protected characteristic under the protected characteristics - Equality Act 2010 (www.legislation.gov.uk/ukpga/2010/15/section/4). The protected characteristics are defined as age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief and sex and sexual orientation.

The School is committed to promoting and developing inclusion & equality of opportunity in all aspects of school life and will seek to do this by: (a) Communicating its commitment to equality and diversity to all members of its community (b) Ensuring all staff and pupils are aware of the aims of this policy (c) Briefing staff and pupils on the importance of inclusion, through our Pastoral systems and as part of the recruitment process (d) Monitoring and evaluating inclusion (e) Demonstrating zero tolerance attitude towards discrimination by taking all allegations seriously.

Putney High School's approach to diversity and inclusion reflects the GDST's wider strategic focus on Inclusion, which it is supporting through staff CPD and rigorous auditing processes to measure the impacts of our work in this area across the GDST. This commitment to Inclusion is encapsulated in the GDST 'Undivided Charter' Link [here](#). We actively encourage all members of our school community to take responsibility for enacting their values in relation to inclusion. This is supported through our 'It Starts With Me' and our 'Social Responsibility' strategic aims.

2. Responsibility

The Senior Leadership Team have responsibility for ensuring that the School operates within the legal framework for equality and for implementing the policy throughout the School, with oversight from the GDST.

Each member of the School community is responsible for being alert to and challenging discrimination through the processes and systems in place to support them; embracing diversity and inclusion; respecting different faiths and beliefs; and upholding equality of opportunity for all.

3. Discrimination

Discrimination can take the following forms. including: (a) Direct Discrimination - This occurs where a person is treated less favourably than others because of their (or a family member's) actual or perceived protected characteristic. (b) Indirect Discrimination - This occurs by applying a provision, criterion or practice, which disadvantages people on the grounds of a protected characteristic and which cannot be justified as a proportionate means of achieving a legitimate aim. (c) Victimisation - This occurs where an individual has exercised their rights under equality legislation (or has indicated that they intend to do so) and is treated less favourably as a direct result. It applies equally to a person who is supporting (or indicates that they intend to support) another person who is exercising their rights under the legislation. (d) Harassment – This is defined as unwanted conduct related to a relevant protected characteristic which has the purpose OR effect of violating an individual's dignity or creating a hostile, humiliating or offensive environment for that individual. Please read this policy in conjunction with our Safeguarding and RSE Policies. (e) Disability Discrimination - This includes direct and indirect discrimination, any unjustified less favourable treatment because of the effects of a disability, and failure to make reasonable adjustments to alleviate disadvantages caused by a disability.
