Health & Safety of Pupils on School Visits Policy

Important update in view of Covid-19

In accordance with Government guidance, we ceased all day and residential trips between March and August 2020, due to the ongoing Covid-19 outbreak.

This policy should be considered the default position prior to COVID-19 and the position to which the school has returned since the Pandemic.

The general COVID-19 risk assessment, and amendments, may impose additional requirements which should be followed in the first instance before referring to this policy.

Number of Staff

The guidelines are:

Senior Department

- | | |
|---|-----------------------------------|
| a) A non-residential visit (e.g., to a theatre) | 1 staff to 20 pupils plus 1 extra |
| b) Journeys abroad or residential trips | 1 staff to 10 pupils plus 1 extra |

Junior School including EYFS

- | | |
|---|---|
| a) A non-residential visit (e.g., to a theatre) | Rec-Y3 - 1 staff to 6 pupils
Y4-6 1 - staff to 10 pupils |
| b) Journeys abroad or residential trips | Y4-Y6 - 1 staff to 10 pupils plus 2 extra |

All staff/volunteers must be DBS checked.

More staff will be required if any girl/staff on the journey suffers from a medical condition which could cause difficulty.

ALL TRIPS MUST BE FULLY RISK ASSESSED IN ADVANCE OF THE TRIP – These are then working documents and may be amended if things change whilst the trip is away.

Parents of pupils in the Junior School complete a General Medical Consent form at the beginning of each Key Stage - in Early Years, Y1 and Y3. These forms are stored in the Junior School office and copies are given to trip leaders whenever pupils are taken out of school.

In the Senior School, pupils have a Medical Consent form which covers all non-residential trips in the UK, completed in Year 7 (to cover Y7-Y11) and in Year 12 (to cover Y12-13).

Parents will be told, by specific communication, when their daughter is not on school premises and any extra safety measures in place.

In Addition, for Residential Trips

- A member of staff who is a First Aider should accompany residential trips.
- A photocopy of passport details must be held by the group leader.
- Full details of the itinerary, emergency contact numbers, and a copy of the paperwork must be given to the two nominated contact members of staff and the school office.
- An up-to-date photo of all girls must be taken on the trip.
- All girls must be given a card to carry at all times which includes contact details of the hotel/hostel and the staff mobile numbers. This should include instructions in a foreign language where necessary. They should also have a detailed map of the area showing the location of the hotel.
- All parents should be invited to a briefing meeting at least a week before the trip leaves – Staff must go over the 'Emergency Procedures' in this meeting (Please read through Appendix 2 at the Parent Briefing meeting).
- All staff and parent helpers going on the trip must attend a briefing session with the Head of the Senior School before the trip leaves and this should be arranged by the trip leader.

Code of Conduct and General Behaviour

- On all trip's girls are to be in groups of FOUR minimum. This enables one to stay to assist a fellow pupil in difficulty whilst the other two can go together to get help.
- Girls must be strictly supervised while waiting for transport, during travel, and for the duration of the trip/visit. They must remain seated and wearing seat belts whilst the coach is moving. The staff must decide whether eating or singing is allowed, and if the radio is to be played.
- Litter must be collected before girls are allowed to leave the coach.
- Under Trust guidelines, whilst some staff may be at the front, there must be at least one member of staff at the back of a coach on any lengthy journey. Staff should periodically turn round/walk down the coach to check on the behaviour of the pupils (staff must not put themselves at risk whilst doing this). Staff should check the coach for lost property when all the pupils have alighted. Encourage girls to thank the driver and staff.
- Pupils who do not attend outings must attend school as usual. Staff should arrange for them to join other classes if applicable.
- **Alcohol** - No alcohol may be bought or consumed by pupils on school trips.
- **Swimming** - No pupil is allowed in water unless a qualified Life Saver is on duty. They must be competent swimmers and parents should complete a water safety declaration before the trip.

- **Covid-19** – Pupils and staff should follow the latest guidance regarding Covid-19, as outlined in the school Risk Assessment. When taking part in residential trips abroad, pupils and staff should follow local government guidelines and follow up-to-date Health and Safety guidance from the FCO.
- **Terrorist Incidents** – pupils and staff should follow ‘run hide tell’ guidance in the event of a suspected terrorist incident.
